2017 *Barossa* SHIRAZ

“The Berton Vineyard Reserve range brings together wines from regions that due to their distinct climate and soil have excelled at producing particular varieties.”

VINEYARD AND

VINTAGE:

This year the Reserve shiraz is predominantly made up of our High Eden Shiraz, with some Barossa fruit used as well. In our High Eden Vineyard a wet winter lead to mild summer conditions with good access to subsoil moisture, setting up a great growing season. The cooler conditions and lack of significant rain events during the growing season for this area meant we were able to harvest the Shiraz in the last few days of April and first week of May.

WINEMAKING:

WINEMAKING:

The Shiraz was fermented in separate parcels in sweeping arm fermenters for up to 8 days at 25° to 28° degrees. The wine was then pressed and left in stainless steel for malolactic fermentation, after which the wine was racked into barrel for approximately 12 months maturation in new and old French and American oak. The best barrels were then selected for filtration and blending.

TASTING NOTE:

TASTING NOTE:

Dark red in colour with vibrant purple hues. The aromas are powerful and complex, with a wealth of fruit. The cooler ripening period allowed development of the more subtle pepper and spice characters, which shine through the deep fruits of black plum and blackberry. The palate is rich and harmonious and displays blackberry with toasty oak and velvety chocolate with silky tannins that lead to a long and persistent finish.
